

FACTS GRANT & AID SCHOLARSHIP

Pennsylvania has set up the following eligibility parameters that are based on the income levels from your last year's **2022 Federal Income Tax Return**. Note clarification of this policy...Dependents refer to any household dependent except a spouse, e.g. school age student, preschooler, etc. The Application Fee to apply is **\$40.00**; paid at the time your application is submitted. Please be prepared to upload your **2022 Federal Tax Form** and **W-2's** for all those that have income in the household.

To be eligible for scholarships, families of students must have an adjusted gross income of less than \$105,183, with an additional \$18,514 adjustment for each dependent.

# of Dependents	Maximum AGI
1	\$123,697
2	\$142,211
3	\$160,725
4	\$179,239
5	\$197,753
6	\$216,267

Once a family is qualified and approved for scholarship, they will be notified of their qualification status, and the amount of scholarship money that will be credited to the student's tuition portion of the account (you will not receive a check for the funds). Scholarship monies will be applied only to the 2023-2024 tuition portion of the school bill. Scholarships will be available for full-time students in K5-12th grade.

Please look at the Income Guidelines below. We are asking everyone who believes that they are eligible (see clarification of eligibility parameters) to complete the FACTS Grant and Aid Assessment at <https://online.factsmgt.com/aid>, which will verify the eligibility of families to receive scholarship money.
