

HOW DOES DAY CAMP BILLING WORK

- You will receive a weekly statement at the end of the week via email. It will list the Weekly Camp Fee and Before/After Care. Please note that all days and weeks that you selected will be billed even if your camper is a “No Show”. Once the days and weeks are selected in your registration, you cannot cancel without having to pay for them.
- All payments are collected electronically through Tuition Express.
- A **Tuition Express Payment Form** is required of ALL camp families.
- There is no extra charge for using a credit card account. (Although as a ministry we would appreciate you choosing a checking or savings account to avoid us having to pay the fee as well).
- Account holders that choose a checking or savings account will have payments debited on Tuesdays of the following week. Credit card payments will be taken on Mondays of the following week.
- A Return Fee of \$35.00 will be charged for any and all payments that are returned for any reason. Please be sure to notify the camp if you need to change your account or payment method. A new Tuition Express Form will be required for the change to take place.
